Just wanted to drop you a line and say thank you for the fine work your group did at our church. We especially want to **thank you for the cleaning of our large altar painting, we didn't even know that it needed cleaning** and are enjoying its brightened-up state very much. What an uplifting witness you've passed on to everyone by giving back from your painting profession. God bless you all. **DP**

Just a note to thank-you and tell you how pleased we are with the painting your crew did in our home and the outside of “B's” home. We are so glad we found you. **Thank you again for all your good work and workers. BS**

I would like to get a shout out to your staff. It was a real pleasure having these guys here, it was hard to believe they were in the front hallway the whole time. Extremely professional and extremely mindful of everyone around them. **The time and care that each one took sure showed in the end with a job well done.** I know everyone here is and will be proud to show off the new hallway. **R**
